*Free Custom Label Option. Add Your Photo & Caption*

Can you dream of fundraising from the comfort of your computer? Can you imagine not having to send home order forms and taking physical delivery along with the distribution headaches? Can you imagine not having to collect and be responsible for the money? Can you imagine people ordering and reordering again and again, anytime they want to? Sound like a dream? Well, it's not. It is now reality.

If your organization has a web site, newsletter or e-mail list, and hopefully all of those, why not use the power of the internet to raise funds? Let's work together with our affiliate program and you can start earning money today! Here's how it works.

We will provide you with a link to our web site that is coded specifically for you. Add it to your web site, newsletters and e mails with an explanation that this is an online coffee fundraiser which earns your organization 5% of the total coffee sale. Most people order two bags at a time. Ask your audience to forward the information and the link to their friends and relatives to expand your audience. You will have a username / password to go directly to our shopping cart company [www.1shoppingcart.com](http://www.1shoppingcart.com) anytime to view a sales report. We will send you a check every month. It's that simple and easy for everyone involved. People order online and receive their coffee delivered directly to their homes. They will enjoy roasted to order gourmet coffee from a kosher certified ( KSA ) boutique coffee roasting company and support your cause at the same time. Now that's something everyone can feel good about! Contact us today and start earning money for your cause.

One last thing. If you'd still like to have the coffee right there for immediate gratification you can always purchase our no risk [fundraising kit](#) with a variety of coffees and a full buy back guarantee. Once they try the coffee, they can always go to the web site to order more and you still get credit for the sale. Don't wait, start earning money today! Call Sam Brest toll free 1-866-9kdavid
