## Origin Spotlight - Atlantis

Over 11,000 years ago there existed an island nation located in the middle of the Atlantic ocean populated by a noble and powerful race. The people of this land possessed great wealth thanks to the natural resource of amazing **COFFEE** found throughout their island. The island was a center for trade and commerce. The rulers of this land held sway over the people and land of their own island and well into Europe and Africa.

[This was the island of Atlantis.](#)

Besides the coffee harvest, the island provided all kinds of herbs, fruits, and nuts. An abundance of animals, including elephants, roamed the island.

For generations the Atlanteans lived simple, virtuous lives. But slowly they began to change. Greed and power began to corrupt them. Soon, in one violent surge it was gone. The island of Atlantis, its people, and its memory were swallowed by the sea. Deep sea divers, exploring the Atlantean ruins recovered a small quantity of raw preserved coffee beans in sealed airtight marble boxes. We traded an equal amount of our Arctic Penguin beans with them to obtain these prized beans\*\*\* for our customers. And so the story of our coffee's continue...
